**Note!** Both for beneficiaries carrying out mobility in Romania, and for beneficiaries carrying out mobility outside Romania, the period for which per diem/meals and accommodation expenses are settled is determined according to the date and time of departure to the locality where the mobility will be carried out, respectively the date and time of return from mobility, entered by the beneficiary in the activity report. For fractions of time that do not add up to 24 hours, the per diem/meal is granted as follows: 50% up to 12 hours and 100% for the period exceeding 12 hours. In case of trip interruption, determined by the flight schedule of the planes, per diem/meals and accommodation are granted at the level provided for the country of destination, only if the stay during that period is not provided by the companies that carry out the transport.

### 2.3.3. Domestic and/or international transportation expenses<sup>7</sup>

*Note! For these types of expenses, the beneficiary will present supporting documents, which will be attached to the activity report.*

- Beneficiaries will be able to settle their round-trip transport expenses and travel-related expenses, as follows:
  - air transportation, any distance, economy class or low-cost flight;
  - transportation by any kind of train, according to the 2nd class fare, for distances of up to 300 km, and according to the 1st class fare, for distances greater than 300 km; settlement of expenses for the use of the sleeping car or couchette is allowed only in the case of journeys made at night, over distances of more than 300 km;
  - transportation with passenger ships, according to the first class fare;
  - transportation with the car owned or used by the beneficiary; the equivalent value of 7.5 litres of fuel per 100 km travelled on the shortest distance will be settled. A route calculator will be

---

<sup>7</sup> according to GD 714/2018, with subsequent amendments and additions

used to determine the distances.

- transportation carried out by means of public transport, expenses related to transport carried out by taxi or car sharing, expenses for reserving seats, speed supplements, as well as expenses with commissions charged by travel agencies, expenses with tolls for crossing bridges, taxes ferry crossing, airport, train station, bus station or port fees, as well as other fees related to traffic on public roads, provided by the legal provisions in force, visa expenses and health insurance.

- f) supporting documents issued by suppliers of goods and services outside Romania's borders on behalf of the beneficiary will be presented together with the proof of their payment; all documents will be translated into Romanian by the beneficiary and assumed by signature.

### **3. Reporting procedure**

- 3.1. Within a maximum of 14 calendar days from the date of completion of the mobility, but no later than 28.11.2025, the beneficiaries of the non-reimbursable financing will send to the funding authority by e-mail, at the addresses proiecte@centruldeproiecte.ro, legal-financiar@centruldeproiecte.ro, and comunicare@centruldeproiecte.ro, the following:
  - a. the activity report, filled in according to Annex 14 - both in editable and scanned format - after it has been previously signed and dated by the beneficiary;
  - b. the supporting documents underlying domestic and/or international transportation expenses, according to par. 2.3.3 - scanned at a resolution that allows them to be easily read, after each document has previously been signed by the beneficiary;
  - c. the press file (possible links to photo-video materials, social media articles and texts, graphic materials made in relation to mobility, etc.)

3.2. Furthermore, the beneficiary of the non-reimbursable funding shall submit, under the same conditions of art. 3.1, the supporting documents underlying the expenditure incurred from complementary sources of funding.

3.3. When the activity report is submitted, it will receive an entry number from the funding authority.

3.4. Upon completion of the verification of all documents referred to in art. 3.1 & art. 3.2, beneficiaries will be notified of the verification result by e-mail. Thus, the beneficiaries are asked, in the financing contract, to communicate a valid e-mail address, which will be used throughout the mobility and reporting process,
